INTRODUCTIONS Those in attendance introduced themselves.

RubyMasonwelcomedeveryoneandstatedsheappreciatedeveryone takingtimeoutoftheirscheduletocome.SinceWardMillerwasnew to the board Ruby Mason explained what the Resident Advisory Boardwasallaboutandwhyitwasimportanttogettheirfeedback andinputindevelopingourplanonhowweareoperating.

Ruby Mason stated that every year HUD requires us to have a communitymeeting to get input and feedback on our plantooperate the Housing Programs at the Mid -Columbia Housing Agency during the upcoming year. MCHA is required to involve low -income residents or participants in the Section 8 Program in the planning process. MCHA has established 5 -year Planthat provides a mission statement and long term goals. Each year we review actions needed to accomplish agency goals.

We will be putting an advertisement in the paper at the end of this month. It will basically say that we've completed our plan for the yearan dgivepeopleanopportunity to comment from the public.

Ruby Mason advised the Resident Advisory Board that they could give us comments today or any time during the comment period. Following the pubic hearing there would still be time to incorporate their ideas.

Ruby Mason stated that we are tentatively scheduling the public hearingfor Friday April 4, 2003 at the Columbia Gorge Community College Board Room. The Resident Advisory Board Members are invited and encouraged to attend and participate.

Ruby Mason explained to the board that our office will be moving its location to 312 Court Street. MCHA has a contract to provide resident services. Marian Parsons, our Resource Assistance in Rural Environment (RARE) volunteer, will be the lead staff person in this endeavor..

Karen Block asked about the rents and who could live there. Ruby Mason explained that they are open to households who are considered lower income. The rents are set such that people who make between 50% -60% of median family income can afford them Rentincludes waterheating, heat and air conditioning.

## OVERVIEWPLANNING REQUIREMENTS

Ruby Mason explained that according to our latest Program Utilization Report we have close to 700 families on the waiting list. We have 66 families in Skamania County, 180 in Klickitat County, 18 in Sherman County and 299 in Wasco County. Karen Blockasked if this was due to the economy and Ruby Mason stated that we didn't receive any new resources for housing this year. Once we get full we've used all the Vouchers that are available then we can't give anyone else a Voucher until someoned rops off. The rate of drop off and turnover is about 17 permonth and the number of applications per month is more than 17 so therefore the waiting list keeps growing.

RubyMasonstatedthatMCHAreceivedagrantfor\$250,000forthe HOMETenantBasedRentalAssistanceProgram. TheHOMETBRA allows us to help about 50 households. We have the word out to all of our partners on the Washington side so if anyone is homeless and they live in Washington they can get immediate assistance. Oregon is reducing services because of shortfall in the State Budget. People on General Assistance which are usually people who are disabled who haven't been able to get their SSI yet have been cut off to tally. Senior Services called to say that some people who are in Adult Foster Care are losing their help also. Legal Services wrote and asked MCHA to consider moving up there exams for the people where services are being cut and we will be looking through the waiting list to adjust this income.

Ruby Mason stated that she is personally advocating for funding for SSI/Medic-Aid. WardMilleroffered to help. Ruby Mason stated yes and that she would keep him advised.

RubyMasonreported, that one of our goals that were established in our 5-year Plan was to expand the supply of assisted housing. We also try to support the development of affordable housing by other non-profits. We have an affiliated non-profit that works with us, Columbia Cascade Housing Corp. (CCHC). Columbia Cascade Housing is working on a project in North Bonneville, for people 55 and over. It will probably be awhile because it takes time to get through the funding applications. Rightnowwe have the preliminary planand will be going inforfunding through the state of Washington this Spring.

RubyMasonstatedthatinTheDallesweareworkingonaprojectfor youth that are aging out of foster care, home care and oth er local homeless youths. We're looking at the possibility of buying an old motel to renovate so these younger individuals can have a place of their own and stabilize living situation while they work on survival skills, life skills and work on a savingsa count so they can payfirst and last months rent. There will be an on - sitemanager and the Next

Door Inc. will be providing case management. Ward Miller suggested having YMCA and YWCA involved because they are already established. There is no YMCA/YWCA in the area. Ruby Mason also stated that there is a plan to have a community center there.

Ruby Mason stated that Mid -Columbia Housing Authority will be developing a Seniorhousing community in Sherman County. Another project in the works is a Farm -Worker housing development in Roosevelt, Washington. Rural Development had concerns about the site & availability of essential services. CCH is looking at other funding opportunities. k of services in Roosevelt. To be eligible for The sites have been donated and currently there are two houses there. We have a family scheduled to move into the unit Mid -Columbia Housing Agency owns. We couldn't find anyone qualified for the home ownership program so they will be renting with an option to purchase. The owner of the other house, which is TLC, would like to sellifwe find a qualified home owner.

**HOUSINGPROGRAMS** 

KarenBlockaskedifthereisahomeownershipprogramforperson's who have met with unfortunate circumstances? Ruby Mason explained that part of what we are trying to do is work with the people in the rent to own program over a period of five years. We will be looking at helping them find ways to imp[rove their credit rating, link them with job programs that can help them build their career, increase their capacity to pay a mortgage and at the same timehavethemsaveadownpayment.

Ruby Mason explained that the rent to own program is just regular Section8 renters that we are working with to try and get them ready for home ownership. There is mort gage and down -payment assistance available through RD.

In Section 8 rental situations, Ruby Mason stated that staff at MCHA try to advocate on the tenant's behalf if we can. If the owner understands and will take into consideration the fact that a family a Voucher the "bad credit" shouldn't be an issue because it doesn't impact the ability to pay rent with assistance through the Voucher.

**CONTINUINGHOUSINGNEEDS** 

Local preferences allow MCHA to help special populations. Currently a preference is given to elderly and disabled households (one or two person) over non -elderly households. 12 Vouchers are setaside for victims of Domestic Violence. MCHA is proposing that a new setaside be established in the upcoming year for 10 Vouchers for elderly who need comprehensive support services in order to live independently.

**LUNCH** 

Lunchwasbroughtinat11:55.

RESIDENTCOMMISSIONER

Ruby Mason stated that we needed to appoint Resident Commissioners one from Oregon and one from Washington. The main duty, of a Resident Commissioner, is to be able to attend the meetings every month or whenever they are held, and participate. The consensus of the RAB was to designate Lester Troeh to serve on

#### **OTHER**

Karen Block indicated that she had some concerns about being a representative of a certain minority and not having any contact or any type of input from any other disabled persons, single parents or families with children to find out if their needs are the same as hers. In order to find out what the needs are that these people have KarenBlocksuggestedthatwesendoutasurvey.RubyMasonstatedthatif shewantedtohelpdevelopasurveywewouldbehappytosenditout. Ruby Mason stated that last year wead dressed the issue of domestic violence by giving priority on the waiting list by targeting 12 Vouchers to women who had a domestic violence situation. Ruby Mason stated that HUD asks periodically by randomly selecting people that are on our program if they are satisfied with where they are living, are there any concerns about their housing unit, any concerns about dealing with the housing authority etc. This is done as a kind of monitoring of our program to make sure we are doi whatwearesupposetobedoing.

ng

Inanswerto Karen Block's question Ruby Mason stated that we do a review of all the utility rates in our area on an annual basis. If the rate increases by a percentage determined by HUD then we have to change the utility schedules.

Ruby Mason stated that the residents would receive a mileage check for attending today's meeting. As well as one when they attend the PublicHearingorRegularMCHAboard meetings.

In answer to Karen Block's question Ruby Mason stated thyear Planneeded to be in by April 15,2003 after the Public Hearing. The only change we are proposing is local preference for elderly with special needs.

Ruby Mason stated that MCHA received the official waiver from HUD for the income targeting requirements. The waiver allows MCHA to target 70% of new admissions to extremely low income individuals and households.

**ADJOURNMENT** 

Therebeing no further business the meeting was adjourned at 1:50 p.m. by Ruby Mason, Director
